

HOPE

***'And hope does not put us to shame, because God's love has been poured out into our hearts through the Holy Spirit, who has been given to us.'* Romans 5:5**

As we begin to see the signs of seasonal changes and live with further changes to our daily life and church family life, we may reflect on the difficult experience we have endured in the face of COVID.

Many of us may lament, which is an honest response, that engages with God in the context of pain and suffering.

YET, the place of lament is also the place of change, new beginnings and hope.

Hope with love. That's what Jesus brings.
His love with each new day strengthens us with that hope.

Are you looking for signs of hope?
Jesus gives hope with love through a relationship with Him. May we trust God to bring something new this season. May this be your prayer.
